
Urinal trough V301 made of stainless steel

Stainless steel urinals are suitable for environments with high demands on durability and hygiene. In our urinal troughs, the flush pipe is concealed. All urinals are supplied with a PUM odour plug.

Purus gives you a total solution with a neat design for optimal hygiene.

- **Central outlet – Simplifies installation**
- **PUM as standard – no unpleasant odours!**
- **Stainless steel grade EN 1.4404 (acid-resistant)**
- **Stainless steel brackets included, designed for simple installation**
- **The flush pipe is concealed, made of stainless steel grade EN 1.4404 (acid-resistant)**
